

**BHASKARACHARYA NATIONAL INSTITUTE FOR
SPACE APPLICATIONS AND GEO-INFORMATICS**
WEEKLY PROGRESS REPORT(29/06/2026–05/07/2026)

WEEK 7

PROJECT NAME	RADIO PROPAGATION ANALYSIS AND PATH PREDICTION
--------------	---

PROJECT DESCRIPTION:

Project focuses on simulating antenna beam propagation and predicting communication coverage.

GROUP MEMBER:

GARIMA CHOUDHARY, MANASH PRASAR,
ARYAN KUMAR

GROUPID:

2026G265

GROUP GUIDE:

Dr. ABDUL JHUMMARWALA

GROUP COORDINATOR:

GARIMA CHOUDHARY

COLLEGE GUIDE NAME:

ABHILASHA SAKSENA

COLLEGE GUIDE No.:

8123106272

COLLEGE GUIDE EMAIL.:

abhilasha.saksena@gsv.ac.in

COLLEGE NAME:

GATI SHAKTI VISHWAVIDYALAYA

29/06/2026	Completed the final UI refinements by improving the interface layout, fixing minor issues, and polishing the overall user experience to prepare the application for final review.
30/06/2026	Demonstrated the completed application to the project mentor, discussed the implemented features, received feedback, and verified that the project was ready for documentation and presentation.
01/07/2026	Started preparing the final project report by documenting the completed implementation, project workflow, system architecture, and technical details in the prescribed report format.
02/07/2026	Continued report writing by completing remaining chapters, refining technical descriptions, reviewing content, and ensuring consistency throughout the documentation.
03/07/2026	Prepared the final project presentation by organizing the implementation workflow, selecting relevant screenshots, designing presentation slides, and summarizing the complete project development journey.
04/07/2026	Continued improving the presentation by refining slide content, enhancing the overall layout, reviewing the sequence of topics, and preparing the presentation for final submission and demonstration.
05/07/2026	Holiday(Sunday)

Next Week Plan	Submit the final project report and deliver the project presentation to the mentor. Complete any remaining corrections based on feedback and finalize all project documentation.
